Dear Valued Provider,

This provider bulletin services as a reminder that Aetna Better Health® of Illinois follows the HFS guidelines set in place for Home and Community-Based Services (HCBS) Waiver Providers.

This update became effective 11/1/2020.

Per HFS guidelines, ensure that you're billing the appropriate taxonomy, Medicaid ID Number, and do not include an NPI number.

The Aetna Better Health of Illinois systems are configured to accept submissions using these guidelines.

Your claims will not adjudicate appropriately if you are **not** billing as directed in the Illinois Association of Medicaid Health Plans' guidelines.

For your reference, IAMHP has posted the billing guidelines on their website [www.iamhp.net](http://www.iamhp.net), the guidelines can be found [here](#).

See page 7 of the IAMHP Billing Guidance for HCBS Providers, a snippet can be found below.
