Dear Valued Provider,

Aetna Better Health® of Illinois is aware of a pre-payment edit, erroneously denying Pathology claims using TC and 26 modifiers between 12/1/2021 and 1/26/2021.

**EOP Denial Description:**

**100 96 - NON-COVERED CHARGE(S) DENY**

The logic causing these invalid denials was disabled on 1/26/2021 and we're actively working to adjust all impacted claims.

There is no action needed at this point from the Pathology Providers, as the global project will adjust all claims received to date. We will further update the network when all claims have completed the re-adjudication process.

We sincerely apologize for the inconvenience and appreciate your patience as we work to resolve this matter.

Sincerely,

Aetna Better Health of Illinois
