### **UPDATE: Removal of Prior Authorization for Targeted Case Management**

Aetna Better Health of Kansas has removed the requirement to obtain prior authorization for Participating Providers when billing Healthcare Common Procedure Coding System (HCPCS) code **T1017, Targeted Case Management**, retroactively to dates of service beginning **January 1, 2019**. Providers who received claim denials due to no authorization, do not need to resubmit claims. Aetna Better Health of Kansas will reprocess affected claims.

Providers not participating in Aetna Better Health of Kansas network are considered Non-Participating. All Non-Participating Providers require an authorization for all services, unless otherwise specified.

Updates on the status of claims reprocessing will be available on the KanCare 2.0 Open Claims Resolution Log, Issue #111, available on the KMAP website <https://www.kmap-state-ks.us/Public/homepage.asp> under Providers > Bulletins.
