

## Billing Policy

To: All Aetna Better Health of Louisiana Providers

Date: 2017

### Policy Type: Multiple Births.

Aetna Better Health of Louisiana's policy regarding multiple births is to bill the specific delivery care code and attach modifier 22. Please understand, we may request supporting documentation after they receive the claim.

Additionally, when modifier 22 is billed it is not to be used with visits or lab codes. For example, if all elements are documented code 76801 would be billed. If more than one fetus is documented 76810 is assigned per each additional gestation in addition to 76801.

For questions or concerns, please contact Aetna Better Health of Louisiana Provider Relations by calling **1-855-242-0802**, and **selecting option 2** then **option 6**.

Thank you,

Aetna Better Health of Louisiana
