Upcoming Free CE Event

Substance Use & Pregnancy: Effects & Treatment

CE Details: 2.0 Cultural Competency, General CE Hours

Date: Tuesday, March 21, 2023

Time: 9:30 AM - 11:30 AM CDT

This presentation will focus on the effects of substance use during pregnancy and treatment options available during pregnancy and postpartum. Prevalence rates, commonly used substances, and effects on the pregnant person and baby will be discussed. Various mental health treatment approaches and interventions will be presented to give attendees tools for working with pregnant and postpartum clients.
