Aetna® Medicare HIDE (HMO D-SNP) provider notice: Deemed Enrollment

Dear Valued Provider,

This notice is to inform you of upcoming changes regarding a member loses their Michigan Medicaid eligibility but is expected to regain it within three months, we'll continue to provide all Medicare benefits covered by Aetna Medicare HIDE (HMO D-SNP). When their Michigan Medicaid coverage ends, we won't pay for their Michigan Medicaid benefits. Members will have to pay for any services that they continue to receive that are usually covered by Michigan Medicaid while they're still enrolled with us for their Medicare coverage. We won't continue to cover Medicaid benefits that are included under the Michigan Medicaid State Plan, nor will we pay the Medicare premiums or cost sharing for which the state would otherwise be liable had they not lost their Medicaid eligibility. The amount the members pays for Medicare covered services may increase during this period.

If the member cannot regain Michigan Medicaid within three months, we'll disenroll them from Aetna Medicare HIDE (HMO D-SNP). If they regain Michigan Medicaid eligibility after being disenrolled, they will need to contact us to reenroll in the plan.

Providers can view the Michigan Department Health and Human Services (MDHHS) notice regarding the Medicaid benefits during the period of deemed enrollment (deeming period) to learn more.

We appreciate your continued partnership in providing quality care to our members. If you have any questions regarding this notice, please contact your provider liaison or Provider Services at 1-855-676-5772.

Sincerely,
Aetna Medicare HIDE (HMO D-SNP)
