## **AETNA BETTER HEALTH OF OHIO**

**August 14, 2024**

Dear Health Care Professional/Hospital Administrator:

### **New review process for DRG claims**

We want to inform you about an upcoming new process that will affect Aetna Better Health of Ohio. For admission dates on or after 9/16/24, we will perform prepayment coding reviews of diagnosis-related group (DRG) claims. As always, we want to ensure the claims correctly show the services you provide to our members.

### **Helpful tips to ensure you get paid correctly**

To make sure we review your claims quickly and accurately, please give us the necessary clinical information up front. After we get your claims, we will:

- Review DRG facility claims based on case history
- Check to ensure the ICD diagnosis and procedure codes show the appropriate DRG was billed

As always, do not hesitate to contact your Aetna Better Health of Ohio Providers Relations Representative with any questions or comments.

Thanks for all you do!

Sincerely,

Aetna Better Health of Ohio
